SEDIBENG TVET COLLEGE
"GROW WITH THE FLOW"

SEDIBENG

TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING COLLEGE

PROSPECTUS 2027

ABOUT THE COLLEGE

OUR MISSION

To deliver quality, innovative, future-focused education that integrates the latest technologies and champions the green economy.

OUR VISION

To provide quality education that is aligned with the latest industrial Revolution to foster innovation and promote the Green Economy.

COLLEGE VALUES

- Integrity
- Ethics
- Accountability
- Service Excellence
- Responsiveness
- Collaboration
- Innovation

Phasing out of NATED Report 191 N4-N6 programmes.

As per circular T0134(B) from Department of Higher Education and Training, Sedibeng TVET College will be phasing out NATED/Report 191 N4-N6 programmes, as indicated in the table below.

NATED REPORT 191: BUSINESS AND SERVICES STUDIES			
N-Level	**First Opportunity**	**Repeating Opportunity**	**Last date of National Examination**
N4	Semester 2 2026	Semester 1 2027	Semester 1 2027
N5	Semester 2 2026	Semester 1 2028	Semester 1 2028
N6	Semester 2 2028	Semester 1 2029	Semester 1 2029

NATED REPORT 191: ENGINEERING STUDIES			
N-Level	**First Opportunity**	**Repeating Opportunity**	**Last date of National Examination**
N4	Trimester 2 2026	Trimester 3 2026	Trimester 3 2026
N5	Trimester 1 2027	Trimester 2 2027	Trimester 2 2027
N6	Trimester 3 2027	Trimester 1 2028	Trimester 1 2028

Note the following:

1. Students who complete the N-level programmes by 30 June 2026 will receive the QCTO accredited certificates as per current practice.

2. Students who complete the N-level certificates after 30 June 2026 will be issued with Statements of Results from the DHET.

3. The Statements of Results issued after 30 June 2026 will remain eligible for obtaining the National N Diploma.

4. No new students may be enrolled in National Introductory Certificate N4 programmes from January 2026.

Rationalisation of the National Certificate (Vocational) [NC(V)] Programmes

As per circular T0132 from Department of Higher Education and Training, Sedibeng TVET College will be phasing out NC(V) programmes starting from January 2027.

The college will **discontinue new enrollments** of the following NCV programmes starting from January 2027.

NCV: Finance, Economics, and Accounting

NCV: Management

NCV: Marketing

NCV: Office Administration

Note the following

- Students who are currently registered in 2026 will not be affect.
- All enrolled students will be fully supported to complete their qualifications in accordance with DHET policies and approved teach-out plans.

ADMISSION AND PROMOTION REQUIREMENTS

	QUALIFICATION	SELECTION REQUIREMENTS	DURATION QUALIFICATION
REPORT 191/ NATED ENGINEERING STUDIES (N4 – N6) *phasing out*			
1	**ENGINEERING N4**	Pass N3/NC(V) level 4 Engineering/ pass Technical Matric (Mechanical Tech, Civil Tech, Electrical Tech) Grade 12 pass with Maths 30% and Science 30%	**1 Trimester per level**
REPORT 191/ NATED BUSINESS STUDIES (N4 – N6) *phasing out*			
2	**BUSINESS MANAGEMENT N4**	Pass grade 12 with Accounting (30%) /NC(V) L4-FEA	**1 semester per level**
3	**MANAGEMENT ASSISTANT N4**	Pass grade 12 /NC(V) L4 Business Studies	**1 semester per level**
4	**MARKETING MANAGEMENT N4**	Pass grade 12 /NC(V) L4 Business Studies	**1 semester per level**
5	**HUMAN RESOURCE MANAGEMENT N4**	Pass grade 12 /NC(V) L4 Business Studies	**1 semester per level**
6	**PUBLIC MANAGEMENT N4**	Pass grade 12 /NC(V) L4 Business Studies	**1 semester per level**
7	**HOSPITALY & CATERING SERVICES N4**	Pass grade 12(Consumer studies/ Hotel & Catering 40%) Subjects /NC(V) L4-Hospitality	**1 semester per level**
8	**TOURISM N4**	Pass grade 12 with Tourism subject at 50% /NC(V) L4-Tourism	**1 semester per level**
9	**MEDICAL SECRETARY N4**	Pass grade 12 with Life Sciences / Biology 40%	**1 semester per level**
10	**LEGAL SECRETARY N4**	Pass grade 12 with English 40%	**1 semester per level**
NC(V) ENGINEERING STUDIES (L2 – L4)			
11	**ELECTRICAL ENGINEERING L2**	Minimum pass Grade 9 with 50% in Mathematics and English. Pass PLP with Mathematics 60% and Science 60% Pass AET Level 4 (120 credits)	**1 year per level**
12	**CIVIL ENGINEERING AND BUILDING CONSTRUCTION LEVEL 2**		**1 year per level**
13	**INFORMATION TECHNOLOGY AND COMPUTER SCIENCE LEVEL 2**		**1 year per level**
14	**ENGINEERING AND RELATED DESIGN LEVEL 2**	Minimum pass Grade 9 with 50% in Mathematics and English. Pass PLP with Mathematics 60% and Science 60%	**1 year per Level**
15	**MECHATRONICS LEVEL 2**		**1 year per Level**
16	**PROGRAMMING AND ROBOTICS LEVEL 2**	Pass AET Level 4 (120 credits)	**1 year per Level**
NC(V) BUSINESS AND UTILITY STUDIES (L2 – L4)			
17	**HOSPITALITY LEVEL 2**	Minimum pass Grade 9 with Mathematics 40% and English 50%. Pass PLP. Pass AET Level 4 (120 credits)	**1 year per level**
18	**MANAGEMENT LEVEL 2** *phasing out*		**1 year per level**
19	**MARKETING LEVEL 2** *phasing out*		**1 year per level**
20	**OFFICE ADMINISTRATION LEVEL 2** *phasing out*		**1 year per level**

NC (V) students will only be allowed to proceed to the next level (Level 3 & Level 4) after passing a minimum of 5 of 7 subjects. Such students will be allowed to proceed to the next level only with the subjects that they have passed.

POSSIBLE CAREER OPPORTUNITIES OCCUPATIONAL PROGRAMMES			
Occupational certificate: Hairdresser	**Assessments**	**Level 4**	**Possible Career Opportunities**
	• Theoretical and Practical Summative assessments are done on completion of every module. • Workplace Module are done at the workplace, under the guidance of the host employer. • Final Examination/External Integrated Summative Assessment (EISA) is written at the end of the programme.		• Hairdresser • Hairstylist • Cosmetologist • Technical advisor on hair products • Assessor and Moderator
Occupational certificate: Chef	**Assessments**	**Level 5**	**Possible Career Opportunities**
	• Theoretical and Practical Summative assessments are done on completion of every module. • Workplace Module are done at the workplace, under the guidance of the host employer. • Final Examination/External Integrated Summative Assessment (EISA) is written at the end of the programme.		• Plan and prepare for the provision of chef services. • Organise food production areas, commodities, staff and environment for the execution of chef services. • Execute the preparation, cooking and finishing of a variety of dishes using the correct method and techniques to meet customer and organisational requirements.
Occupational certificate: Electrician	**Assessments**	**Level 4**	**Possible Career Opportunities**
	• Theoretical and Practical Summative assessments are done on completion of every module. • Workplace Module are done at the workplace, under the guidance of the host employer. • Final Examination/External Integrated Summative Assessment (EISA) is written at the end of the programme.		• Install, wire and connect electrical equipment and control systems. • Test and inspect electrical equipment. • Commission control systems and installations • Maintain and repair electrical equipment, control systems and installations.

	Assessments	Level 4	Possible Career Opportunities
Occupational certificate: Fitter and Turner	• Theoretical and Practical Summative assessments are done on completion of every module. • Workplace Module are done at the workplace, under the guidance of the host employer. • Final Examination/External Integrated Summative Assessment (EISA) is written at the end of the programme.	• Apply hand skills to fabricate mechanical components using engineering tools. • Perform engineering maintenance on mechanical components, subassemblies and machines. • Repair, install and commission subassemblies and machines. • Machine mechanical components using machine tools and equipment.	
Occupational certificate: Automotive Motor Mechanics	• Theoretical and Practical Summative assessments are done on completion of every module. • Workplace Module are done at the workplace, under the guidance of the host employer. • Final Examination/External Integrated Summative Assessment (EISA) is written at the end of the programme.	• Perform preventative and scheduled maintenance on petrol and diesel road vehicles • Disassemble, inspect, assess, repair, and assemble petrol and diesel road vehicle engines and vehicle system components. • Diagnose and repair faults in petrol and diesel engines and vehicle systems and their components.	
Occupational certificate: Boiler	• Theoretical and Practical Summative assessments are done on completion of every module. • Workplace Module are done at the workplace, under the guidance of the host employer. • Final Examination/External Integrated Summative Assessment (EISA) is written at the end of the programme.	• Interpreting drawings and developing patterns and templates. • Select, caring for and use/operate trade related hand tools, equipment and machines. • Cut and weld materials and components for fabrication. • Fabricate components and/or structures. • Erect and assemble plate and pipe components and structures.	
Occupational certificate: Welder	• Theoretical and Practical Summative assessments are done on completion of every module. • Workplace Module are done at the workplace, under the guidance of the host employer. • Final Examination/External Integrated Summative Assessment (EISA) is written at the end of the programme.	• Perform cutting, gouging and gas welding of ferrous materials using oxy fuel, carbon arc and plasma cutting equipment. • Produce fillet welds using various welding processes. • Produce plate welds using various welding processes. • Produce pipe welds using various welding processes.	

APPLICATION AND REGISTRATION PROCEDURE (NEW)

STEP 1

Career Advisory Service & Placement Assessment

The college conducts online career advice and placement assessment it is compulsory for all prospective students to undergo the placement assessment

Please note that placement assessment is a selection and placement tool, it does not test your IQ

STEP 2

Submission of Academic Application

Once the applicant has completed all placement assessment modules, the system will redirect to academic application portal (Mysedcol).

It's Mandatory to upload clear certified copies not older than six months- ID copy, Latest results/Grade 12, proof of residence, parent/ Guardian ID copy and Stamped proof of employment on Letterhead.

Acceptable certification stamps will be from Police Station, Government Commission of OATH, Post Office only.

STEP 3

Document upload

If uploaded documents fail verification, an SMS/ email will be sent with the link for re-upload.

STEP 4

Academic Application screening

Selection committee will screen the application for selection and admission; feedback will be communicated via SMS/email.

Applicants who are successful, will receive an SMS to check their emails to ether "accept or reject" the offer. If "Offer "is accepted", date and time will be communicated to finalise registration at campus where you are admitted.

Outcome will be communicated to all applicants who were unsuccessful after applications have been finalised.

STEP 5

Registration

The applicant becomes Sedibeng TVET college students once they have digitally singed proof of registration. After Registrations a student card shall be issued. Communication via SMS/ email will be used for Textbooks collection.

STEP 6

Orientation/Induction

Date of induction will be shared by campuses

STEP 7

Class attendance

Timetable will be shared by campuses

SELECTION AND PLACEMENT OR ASSESMENT TESTS:

All prospective students will undergo a compulsory selection and placement process.
This is to ensure that prospective students are placed in an appropriate programme of which they have the necessary capabilities and will also enable the College to identify those learners requiring additional support.
No Student will be accepted or admitted into Sedibeng TVET College without undertaking the placement test. The selection and placement test is also used to identify students who may require academic support and referral. The College may conduct interviews in addition to the conduction of selection and placement tests.

NSFAS APPLICATION.

The application process is electronic; students can apply online to NSFAS
Visit our website: https://www.nsfas.org.za/

THE FOLLOWING STUDENTS ARE ELIGIBLE TO APPLY FOR NSFAS.

Who qualifies to apply for NSFAS?

- Only South African citizens.
- Students who are financially needy.
- Students who perform academically.
- Must not be enrolling for a qualification equivalent to previous learning that was state funded without progression.

PLEASE NOTE !

- This is a 100% bursary, 0% loan. All bursary funds which are awarded do not have to be paid back to the college or NSFAS.
- Bursaries are not guaranteed. Terms and conditions apply viz good/excellent academic performance; 100% class attendance; satisfactory means test conducted by NSFAS and submission of all applicable documents.
- Priority will be given to tuition fees and if funds are still available, transport or accommodation allowances will be considered.
- Personal care is provided to all NSFAS bursary recipients

To apply for a bursary, the following documents must accompany the online bursary application

- Certified copies of the students ID
- certified copies of parents/guardians' ID
- Certified copies of ID's of other members in the household
- The latest original or certified copies of the parents/guardians' payslip.
- Sworn affidavits from parents/guardians if they are unemployed.
- Proof of residence.
- Completed and signed Consent Forms-accessible from the NSFAS website.

DHET Bursaries are not guaranteed, there are procedures in place from the administration and awarding of these bursaries.
